

## Chris Atkinson

### International Speaker, Author and Trainer

Chris is an inspiring business professional who combines strong commercial and training experience. He is an international trainer, author and speaker specialising in engagement, organisational culture and inspiring leadership. Since starting in 2001 he has now worked with diverse business sectors in more than 20 countries worldwide with 43 different nationalities. His specific skill lies in designing and delivering high energy, robust and engaging presentations and keynote talks. He has been featured on the front covers of international magazines Realizing Leadership and Switched on Leadership.

In addition to his acclaimed book “Corporate Energy” Chris regularly writes for magazines, websites and white papers. All publications including videos and podcasts are listed online:
